

Assistance for Nepal Earthquake Disaster Relief Efforts

Oji Holdings Corporation has decided to contribute 3 million Yen to Japan Platform, a specified non-profit corporation, to assist Nepal in the recovery and reconstruction efforts from the damages due to the earthquake which struck the country on Apr, 25, 2015.

Oji Group has been proactively expanding its overseas business and there are a total of approximately 1,400 Nepalese employees in our Group's various business locations including Southeast Asia. Therefore, each of our business companies would be providing relief funds to employees whose family and homes in Nepal have been hit by the earthquake. In addition, Oji Group has also decided to call for donations from the Group employees to assist in the recovery and reconstruction efforts with the collected donations.

Lastly, we would like to express deep condolences to the victims and hope for the earliest possible recovery of the devastated areas.
