
Selection as a Member of the Dow Jones Sustainability Asia Pacific Index, two years in a row

Oji Holdings (CEO: Masatoshi Kaku, Head office: Tokyo, hereafter “Oji Holdings”) announces that it was selected as a member of the Dow Jones Sustainability Asia Pacific Index (“DJSI Asia Pacific”), a globally representative ESG investment index, which is part of the Dow Jones Sustainability Index (“DJSI”) for the second consecutive year.

The DJSI are leading indices of ESG investments jointly developed by S&P Dow Jones Indices LLC in the United States and RobecoSAM AG in Switzerland. Offered since 1999, the DJSI select leading sustainable companies for inclusion by comprehensively analyzing the economic, environmental and social performances of listed companies around the world.

As part of the DJSI's annual review, 153 companies (77 of them Japan-based) out of 609 major companies based in the Asia-Pacific developed region were selected for inclusion in the DJSI Asia/Pacific Index of 2021.

The Oji Group has made “Harmony with Nature and Society” as a part of its management philosophy. The Group is working on the “realization of a sustainable society” through a variety of measures that give consideration to the environment, society, and the economy.
