**All Made in Japan**  
**Launch of Isolation Gowns at the End of June**  
**Designed considering expert opinions**

---

Oji Holdings Corporation (President: Masatoshi Kaku; Headquarters: Chuo-ku, Tokyo; hereinafter “Oji Holdings”) hereby announces that Oji Nepia Co., Ltd. (President: Hiroyuki Yomei; Headquarters: Chuo-ku, Tokyo), an affiliated company of Oji Holdings, has decided to launch isolation gowns designed considering the opinions of infectious disease experts.

Ribbed cuffs are attached to the isolation gowns, fitting to the wrists more closely while preventing them from turning with movement. The gowns are hemmed below the knee to avoid adhesion onto clothing underneath when bending down to carry out work, and to minimize the risk of infection. The non-woven fabric used for the gowns will be produced at the Oji Nepia Nagoya Mill.

<Overview>

1. Recommended retail price: Open
2. Launch date: Start of shipment is due at the end of June
3. Client: Medical health and welfare institutions  
They will also be available on the official online store “nepia Ginza Store.”  
URL: <https://shop.e-nepia.com/shop/default.aspx>  
Note: The date of release on the official online store is unconfirmed because the priority is given to medical health and welfare institutions.

<Product Features>

1. Highly elastic ribbed cuffs.  
Cuffs fit to the wrists perfectly while preventing them from turning with movement.
2. Long length offers adequate protection.
3. Three-dimensional pattern ensures comfort.
4. Easy-to-pull strings made with non-woven fabric enable quick undressing.
5. Made with Oji Nepia’s non-woven fabric that has superior water-repellent and water-resistant properties.
6. The entire process, from material procurement to sewing, will take place in Japan.
